

SERIES OF PRESENTATIONS – 4th PRESENTATION

"The Projects of the Technical Committee on Cultural Heritage in Cyprus. Presentation of the conservation designs"

The Cyprus Scientific and Technical Chamber (ETEK) is planning a series of informative presentations on the Projects of the Technical Committee on Cultural Heritage in Cyprus. The presentations will concern a description of the work of the Technical Committee on Cultural Heritage, as well as the procedures followed by the UNDP (United Nations Development Programme), which implements these projects. Moreover, the design team of each project will present the study they carried out.

The 4th presentation will take place on **Thursday 10 July 2025** at 5:30pm at **ETEK Cultural Center**.

The presentation will cover the conservation studies for the two following projects:

1. Mosque in Kalo Chorio
2. Panagia Chrysopolitissa church in Trapeza, Acheritou

The language of the presentations will be English.

Participations must be submitted electronically at the link below:
