

Guest Speaker: Stephania Pieri
Short CV

Stephania Pieri is a Chartered Engineer (CEng) registered with the Engineering Council UK through CIBSE and member of ETEK. Stephania holds a Master of Engineering in Environmental Engineering from the University College London (UCL), including an academic exchange year at the University of British Columbia in Vancouver, Canada. She recently completed a Bachelor's degree in Applied Psychology with the University of Derby, as well as an Energy Auditor certification with Frederick University.

She currently serves as Business Unit Leader and Senior Manager of Property Services at City of Dreams Mediterranean Casino Resort in Limassol, where she leads a team of over 65 professionals managing engineering operations for one of Europe's largest integrated casino resorts. Stephania previously spent seven years with Arup in London working in multidisciplinary engineering teams on major international projects.

She is also passionate about mentoring young professionals and supporting community engagement and volunteering initiatives within the engineering profession.

In this session, she will share her experience of becoming a Chartered Engineer and discuss how professional registration can support engineers working in Cyprus as well as internationally.
