In its inaugural edition, Infra Oman won the CMO Asia-Event Industry Award 2012 held in Singapore for the Most Admired Event in the Middle East. Infra Oman is the first & only exhibition in the Sultanate of Oman to be "BPA Audited". The audit gives the sponsors & exhibitors certified and accurate number of trade visitors to compare with other exhibitions and invest their money in the right event. This will also help to prepare logistically from the right size of the booth to quantity of sales materials and demonstrate ROI based on the ratio of leads generated to total visitors.
